hello@parkproxibowral.com

Dear Guests,

On the 6th September 2023 Gibraltar Hotel Bowral was rebranded to Park Proxi Gibraltar Bowral, joining a global network of hotels.

Although the hotel has changed names and introduced some additional items and experiences, your booking remains unchanged.

\What is Park Proxi?

Have you ever arrived at a new holiday destination and immediately felt right at home? This is the essence of the Park Proxi hotel experience for you, our guest.

Park Proxi is unlike other hotels. We are adventurers as well as hoteliers.

We are proud to offer incredible facilities, state-of-the-art technology, warm hospitality and all of the modern conveniences expected from a hotel - but we'd rather help get our guests outside exploring the local neighbourhood than keep them inside with us.

Our passion is the local area, and our goal is to help our guests see somewhere new, through the eyes of a local, and our aim is to enhance every community we become a part of by supporting local, wherever we can. We believe the most interesting adventures often begin with 'Why not?'

Under the Park Proxi brand, we will be introducing some key guest experience touch points to help you discover Bowral like a local, and introducing a revamped menu at Observatory Restaurant and Harvey's Bar, not to mention that we will also increase our operating hours at Harvey's Bar.

Within the guest room, we have added some new items to help you further enjoy your time in the hotel, such as a minibar. Outside the hotel, our golf course has undergone some improvement work and is in great shape for all the golfers looking for a great day out.

You can view more on the new brand and hotel, including seasonal menus by visiting www.parkproxibowral.com

Whilst the hotel name will change, our commitment to providing guests with friendly and exceptional service will not change, you will still get the same great room, the same amazing service, and the same unforgettable experience, just with a little more extra to taste and experience during your stay.

We look forward to welcoming you to Park Proxi Gibraltar Bowral.

Regards,

Jeff Huyben
General Manager
Park Proxi Gibraltar Bowral
